

# Justice for Shantel Davis

On June 14<sup>th</sup>, 2012, **Shantel Davis**, an unarmed 23 year old black woman, was brutally shot and murdered in an immobilized car by N.Y.P.D. officer **Phillip Atkins**. He has been placed on **paid** administrative leave, and is yet to face any charges.

Help us fight this racist system that offers black and Latino youth little more than harassment, incarceration, and, in the case of Shantel and countless others, brutal violence.

Join us at a vigil in her memory every Saturday at noon on 38th street and Church Ave., where she was taken from us in broad daylight. We need your help to ensure that justice is carried out and Atkins is indicted.
